- Cabinet 0030-0831 4TBA2K2

Key Notes:

Buzzi Unicem is an International multi-regional, heavy-side group, focused on cement, ready-mix and aggregates.

Long-term view of the business and dedicated management towards a sustainable development.

Cement Industry | Robilante (CN) – Italy

Industrial Sector : Cement

Application: Conveyor Belt

Connection date: 2000

Customer: Buzzi Unicem SpA

Inverters:

- Sinus Penta Cabinet 0524 4TXA2K318

Type: Drive + RGN

Key Notes:

The plant is connected to quarries by a 6-km conveyor belt, inside a tunnel: in the picture the belt at Monfranco quarry.

Robilante will be the first Italian plant to have the NF certification for two products.

Therefore, after a long and complex effort (it took us almost 4 years), Robilante cement plant becomes one of the few European plants that can take pride in achieving official recognitions by prestigious Italian and International Institutes.

STRICTLY CONFIDENTIAL
